Here For America Urges Congress to Pass Pro-Growth Tax Reform

Statement by John Bozzella, President and CEO Global Automakers and Here for America Spokesperson

“International automakers urge Congress to adopt the *Tax Cut and Jobs Act (H.R. 1)*. The pro-growth reforms will encourage additional investment in U.S. manufacturing and support American job creation.”

###

Here For America tells the story of international automakers and dealers, their ever-growing impact on the U.S. economy, and the benefits they provide to local communities. The contributions of international automakers and dealers are integral to the success of today's U.S. auto industry, directly employing 1.29 million Americans in the auto industry and an additional 7 million indirect workers. Here for America is an initiative of the Association of Global Automakers to increase public education about the importance of international automakers to American job creation, economic growth, technological innovation and strong communities.
